Re: Lyons Quarry, Technical Revision Approval, Permit No. M-1977-208, Revision No. TR-2

Dear Mr. Lohr:

On September 2, 2003 the Division of Minerals and Geology approved the Technical Revision application submitted to the Division on June 6, 2003, addressing the following:

Approval of an on-site disposal area to dispose of concrete rubble for use at the close and demolition of the concrete plant.

The terms of the Technical Revision No. 2 approved by the Division are hereby incorporated into Permit No. M-1977-208. All other conditions and requirements of Permit No. M-1977-208 remain in full force and effect.

If you have any questions, please contact me.

Sincerely,

Erica S. Crosby
Environmental Protection Specialist
