Why temp cfc + how long will it be there?

Ruth: FYI

~~This~~ The applicant was never willing to confirm that the trailer will be removed.

So this needs to go to the hold drawer.
Would you please route it?

Cemex:

A routine review of our files by the staff has brought to our attention that your building permit application # BP-04-1389 has expired by limitation. The expiration date was 06-02-2005. Boulder County Building Code section 105.3.2 provides that a building permit must be issued within 180 days of the application date or the application becomes invalid. The application date was 12-02-2004. In order to continue with he project you will need to re-apply on a new building permit application and provide the required plans and application deposit.

If you would like the plans or other material that were submitted with your application returned to you, please come to the Building Division office within 14 days to retrieve them. If you don't request the return of these items within this time frame they will be discarded.

Thank You
