NOTICE OF PUBLIC HEARING
COUNTY OF BOULDER, COLORADO
BOARD OF COUNTY COMMISSIONERS

DATE: May 15, 2012
TIME: 2:30 p.m.
PLACE: Commissioners Hearing Room, Third Floor, Middle Building, Courthouse Square, 1325 Pearl St., Boulder, Colorado

Notice is hereby given that a Public Hearing will be held by the Board of County Commissioners, County of Boulder, at the time and place specified above. All persons in any manner interested in the following item are requested to attend such hearing and aid the Commissioners in their consideration of these matters.

IGA-12-0001 LYONS PLANNING AREA COMPREHENSIVE DEVELOPMENT PLAN INTERGOVERNMENTAL AGREEMENT and IGA-12-0002 LYONS CEMEX AREA COMPREHENSIVE DEVELOPMENT PLAN INTERGOVERNMENTAL AGREEMENT

Public Hearing for consideration of the proposed intergovernmental agreements with the Town of Lyons which, pursuant to Section 29-20-105, C.R.S., as amended, adopts an enforceable comprehensive development plan for properties in the unincorporated area surrounding the Town of Lyons, all located in portions of land in the SW ¼ of Section 1, the South ½ of Section 7, Sections 11, 12, 13, 18, 19, 20, 28, the East ½ of Section 29, and the NW ¼ of Section 30, Township 3 North, Range 70 West; and land in the SW ¼ of Section 1, the SE ¼ of Section 2 and portions of Sections 7, 11, 12, 13, 24 and 25, Township 3 North, Range 71 West.

For properties within the unincorporated area of the County but designated by the IGAs to be part of the Primary Planning Area for purposes of the IGA, the current County zone district designation and land use regulations, and conservation easements if any, would continue to apply to the property. This agreement survives the annexation of parcels to the Town and any parcel-specific limitations on development continue to apply. Properties located outside the identified LPA as agreed to in the IGAs are treated as "rural preservation area" as denoted in the Boulder County Countywide Coordinated Comprehensive Development Plan IGA (the "SuperIGA), to which both the County and the Town of Lyons are parties, which designation requires additional approval by the Board of County Commissioners for any annexation of any such parcel to the Town of Lyons.

For these purposes, such plan contains master plans and zoning, permit and other land use standards which will operate in lieu of and supersede to the extent of conflict with existing regulations or ordinances of the local governments.

Information regarding this matter, including the text and map of the proposed comprehensive development plan, showing the parcels included within the plan's area together with the applicable restrictions on development and annexation, is available for public examination at the Boulder County Land Use Dept., 13th and Spruce, Boulder, CO 80302 (303-441-3930).

Parking validation in City of Boulder CAGID lots is available for BOCC hearing participants. See staff at lobby desk. If you need special services provided for under the Americans with Disabilities Act, contact Julia Yager, ADA Coordinator in the County Human Resources Office at 441-3525, at least 48 hours before the scheduled event.
