RE: Spray Tower Blasting Report
Title V Operating Permit 95OPBO082
CEMEX Lyons Cement Plant
Facility AIRS ID - CO 0130003
Permit Section II, Condition 10.5
Reporting Period: January 1, 2024, to June 30, 2024

Dear David Huber:

For the period January 1, 2024, to June 30, 2024, this facility did not use dynamite to clean the spray tower. Thus, monitoring and recordkeeping requirements outlined in Part II, Condition 10.9.6 of Title V Operating Permit 95OPBO082 does not apply during the period. Please note that CEMEX Lyons does not intend to use dynamite for the stated purpose in future cleanup of the of spray tower.

In fulfillment of the Operating Permit requirement of Section IV, General Permit Condition 2a, I certify that the information contained in this submission is true, accurate and complete.

Please contact Kirill Smirnov, Environmental Specialist, at 813-525-3301 for questions about this submittal.

Sincerely,

Bradley A. Evans
Plant Manager
Lyons Cement Plant
