RE: Permit # M-1977-208
Lyons Quarry
Bonding and Reclamation

Dear Ms. Crosby:

Thank you for the opportunity to meet with representatives of the Division and discuss our concerns.

CEMEX Inc. Lyons cement plant has opted to post a new reclamation bond for the cement facility. In so doing, we will be using our own engineers and engineering consultants to assess the cost of the reclamation. To accomplish this task CEMEX Inc. Lyons Cement plant is requesting 90 days to submit the assessment to the Division for review. We would like a deadline of April 3, 2003.

If there are any questions, please call at 303-823-2113.

Sincerely,
