Dear Applicants:

This letter certifies that in accordance with Section 4-800 of the Boulder County Land Use Code, the Boulder County Land Use Director has **REVIEWED** and **APPROVED** the Site Plan for the following, effective as of the above date:

**Docket SPR-97-160: SOUTHDOWN INC / US WEST NEWVECTOR GROUP**  
**Telecommunications Antenna / Equipment Structure**

Request: Site Plan Review for the placement of telecommunications antennas on existing silos and structures, and the placement of a 120 sq. ft. prefabricated equipment shelter.

Location: At 5134 Ute Hwy., in Section 28, T3N, R70W

Zoning: Agricultural (A)

Applicants: Southdown, Inc. c/o John Lohr / US WEST NewVector Group c/o Jane Alcorn

Agent: Ann Closser / Closser Consulting, Ltd.

This is an Approval made by the Land Use Department Director. Approval is not final until it has approval by the completion of the Board of County Commissioners' referral period, or, if it goes to a hearing, final approval from the Board of County Commissioners (BOCC). At this time, the above-referenced docket will be routed to the BOCC for review. The BOCC has fourteen (14) days to review individual dockets. Upon completion of this review, the BOCC will determine whether a public hearing will be necessary for this docket. *If no hearing is required, this letter will serve as the final determination.* Building, grading and access permits will be subject to any and all conditions of approval.

If the BOCC should decide to modify the Land Use Director's approval, or determines that further review is necessary, a public hearing will be held. Upon completion of the public hearing and approval by the BOCC, if a building, grading or access permit has been applied for, it will continue in the process and permits may be issued subject to any and all conditions of approval.

97-1785

Site Plan Review approval is valid for as long as County policies and regulations allow for development as proposed. In order to issue a building permit, the project must comply with all policies and regulations in effect at the time of permit application.

Sincerely,

A handwritten signature in cursive script that reads "David Casas".

## APPROVED PLANS AND REVIEW LIST

I have read the Boulder County Building Department plan review list that was prepared for my building project and attached to the approved building plans. I understand that my building project must comply with all applicable code requirements.

I also understand that this plan review list and the approved plans must be kept on the job site, and must be available to the inspector when inspections are made.

I further understand that not having the approved plans and review list on the job site may result in no inspection being made and a reinspection fee being charged.
