APPROVED PLANS AND REVIEW LIST

I agree to read the Boulder County Building Division plan review list that was prepared for my building project and attached to the approved building plans. I understand that my building project must comply with all applicable code requirements.

I also understand that this plan review list and the approved plans must be kept on the job site, and must be available to the inspector when inspections are made.

I further understand that not having the approved plans and review list on site may result in no inspection being made and a reinspection fee being charged.
