RE: Larimer County Quarry
Our File No. 77-341

Dear Sirs:

We have received your application for a Mining & Reclamation Permit for your open pit Limestone operation in Larimer County. Our initial review indicates that all preliminary items required by the Colorado Mined Land Reclamation Act, Article 32 of Title 34, Section 34-32-112, have been submitted, thus your application has been deemed complete for the purposes of filing on this date. All review and discussion periods as provided in the Act and the Rules & Regulations promulgated thereunder initiate from this date of filing, unless you notify us by 10/21/77 that you wish a later filing date, as per amended Rule 1.1 (10) of the Rules & Regulations (September 29, 1977). A copy of this amendment is attached for your reference.

The tentative date for consideration of your application by the Mined Land Reclamation Board will be December 22, 22nd 77. You should commence publication of a notice of filing of this application accordingly. Notice requirements can be found in Rule 2.22. Because the date for consideration may be subject to revision, please do not include it in your notice. For Limited Impact permit applications, the final date for filing of objections, which must be stated in the publications, will be 48 hours before this tentative date for Board consideration.

You must also place a copy of this application for public review, less confidential items, with the Larimer County Clerk and Recorder. Any subsequent changes or additions to the copies on file in our offices must also be made in this local government copy.

(over)

THE STAFF IS CURRENTLY REVIEWING YOUR APPLICATION TO DETERMINE WHETHER THE ITEMS YOU HAVE SUBMITTED ARE ADEQUATE IN TERMS OF MEETING THE REQUIREMENTS OF THE ACT AND THE RULES & REGULATIONS. THIS REVIEW WILL BE COMPLETED AS WELL IN ADVANCE OF THE SCHEDULED BOARD MEETING AS POSSIBLE, SO AS TO ALLOW ADEQUATE RESPONSE TIME.

If you have any questions concerning the materials you have already submitted or the additional information that may be required, please call this office. I will be glad to assist you.

Sincerely,

A handwritten signature in cursive script, appearing to read "James J. Schmeding". The signature is written in dark ink and is positioned above the typed name.
