ANNUAL FEE and REPORT REQUEST

RECEIVED

SEP 30 2005

Division of Minerals & Geology

PERMITTEE NAME: CEMEX, Inc.
PERMIT NO.: M-1977-341
OPERATION NAME: Larimer County Quarry
ANNIVERSARY DATE: September 8, 2005
ANNUAL FEE DUE: \$688.00 (Due on or before your anniversary date)
COUNTY: Larimer

According to C.R.S. 34-32.5-116 or C.R.S. 34-32-116, each year, on the anniversary date of the permit, an operator shall submit the annual fee, a report and map showing the extent of current disturbances to affected land, reclamation accomplished to date and during the preceding year, new disturbances that are anticipated to occur during the upcoming year, reclamation that will be performed during the coming year, the dates for the beginning of active operations, and the date active operations ceased for the year, if any.

Please attach your revised written annual report and annual report map to this form. Please note that an adequately labeled map that clearly delineates and includes the above elements may suffice for a written report.

Division records indicate the following permittee contact information. Please verify and make any necessary changes:

Permittee Contact: John Lohr
Permittee Name: CEMEX, Inc.
Address: P.O. Box 529
Lyons, CO 80540
Phone Number: (303) 823-2100
Fax Number:

If you have additional comments and/or information that should be provided to the Division, please provide it below or attach it to this form along with your written report and map. Annual Report instructions are enclosed.

ANNUAL RECLAMATION REPORT

PARISH QUARRY, LARIMER COUNTY, COLORADO PERMIT NO. M-1977-341 2004 - 2005

The plant growths on the reclaimed areas appear to be hearty and well established. The re-soiling and seeding of the five acres located at the southeast corner of the reclamation has excellent plant growth. This year's precipitation allowed the plants to develop and establish a good root foundation. The final five acres that have yet to be bond released are continuing to grow. It is anticipated that an application for the final bond release will occur in the next year.

The reclaimed areas have been seeded with a dry land pasture mix, which includes:

- 39% winter rye
- 13% ranger alfalfa
- 9% smooth brome
- 8% intermediate wheat grass
- 7% slender wheat grass
- 8% Nordan crested wheat grass
- 6% Russian wild rice
- 10% Jose tall wheat grass

PLEASE USE THE MAP THAT WAS SUBMITTED IN THE BOND RELEASE APPLICATION.
