Re: Larimer County Quarry, Permit No. M-1977-341, Succession Approval, Revision No. SO-3

Dear Mr. Lohr:

On September 17, 2001, the Division of Minerals and Geology approved the succession of operators from Southdown, Inc. for this operation. CEMEX, Inc. is now the permitted operator of the Larimer County Quarry, and as such, is responsible for all provisions in Permit No. M-1977-341, as well as those specified in the Rules and Regulations.

Enclosed is the Performance Warranty you originally provided, which was released as of the September 17, 2001 Division approval for the succession of operators.

If you have any questions, please contact me Barbara D. Chiappone, at (303) 866-4074.

Sincerely,

Barbara D. Chiappone
