RE: Permit No. M-77-341 ✓

Dear Ms. Chiappone:

Cemex, Inc. would like to begin the bonding release process for the Parish Quarry, Larimer County, Colorado. Enclosed are photographs dated 10/10/02 of the Parish Quarry; which was reclaimed in May 1997. The revegetation appears to be strong and hearty in all areas and has supported cattle grazing for the last few years.

The Larimer County, Parish Quarry was sold to Parish Ranch Conservation Partnership on April 30, 2002. Let me know if you would like a copy of the Deed.

If you have any questions or concerns, please call me at (303) 823-2140.

Sincerely,

L.W. George Martin
Quarry Manager
