Dear Mr. Martin:

On October 17, 2002, the Mined Land Reclamation Division received your request for full reclamation responsibility release for the Larimer County Quarry, Permit No. M-1977-341. Preliminary review of your request determined that the following information must be submitted to complete the requirements of Rule 4.16 of the Construction Material Rules and Regulations and C.R.S. 34-32.5-117(5) of the Colorado Land Reclamation Act for the Extraction of Construction Materials (a copy of this Rule and Statute are enclosed for your information):

If you have any questions, please do not hesitate to call.

Sincerely,
